ABOUT ME

I'm a filmmaker focused on direction, with experience in cinematography, editing, and production. I enjoy taking an idea from script to screen and being involved in every stage of bringing it to life. I'm particularly interested in visual storytelling, working with people on set, and finding creative ways to make each story feel distinct.

EDUCATION

2025 - 2026

Frameboxx 2.0, Thane

Video Editing & Graphic Design

2022 - 2025

Ramesh Sippy Academy of Cinema & Entertainment

Bachelor's Degree in Film Art

EXPERIENCE

2024

Independent / Student
Production

Writer & Director – A Flower's Tale

Conceptualized, wrote, and directed a relatable couple drama exploring the theme of relationship balance. Developed the logline, treatment notes, visual lookbook, and character sketches, while managing the production budget, crew logistics, and on-set execution.

2025

Bolti Khidkiyaan

Assistant Director – Three Mothers

Worked closely with the director on a fairly large scale production, coordinating with actors and crew while assisting with on set logistics and production management. Supported the director in keeping communication, scheduling, and the overall shoot organized and on track.

2026

Label Fiora

Cinematographer & Editor – Fashion Brand

Directed and shot visual content for a female centric fashion brand, focusing on creating a distinct visual style that complemented the brand's identity. Edited short form reels and social media content for final delivery.
